WANT MORE GINGERS? BRUNETTES? ONE LEGGED ALBINOS? WRITE AND TELL US...

GINGER WHINGER

A lot of readers have moaned in the past about the lack of Black and Asian girls that you have in *MensWorld* – and, just for the record, I think it's a valid point – but no-one seems to mention the fact that you hardly ever feature redheads in the magazine.

Ashlyn was a rare ray of sunshine in Vol. 22 Issue 5, but as she had a completely shaven pussy it was difficult to tell if she was actually a genuine ginger, which is important to a devoted redhead fan like me. Okay, so I think Ashlyn is gorgeous and she has a beautifully pert body, but those lustrous auburn locks of hers look suspiciously like they might have come out of a bottle.

Could you get her to grow her pubes a bit so we can see for sure if she's a proper ginger? And please, to go back to my original point, can we have more genuine redheads in *MensWorld*?! And I mean genuine redheads!

Warren, Frickley

Crikey Warren, who rattled your cage? To be honest, we've no idea if Ashlyn is the real deal collar-and-cuffswise – all we know is that she looks fantastic and that was enough for us – and hopefully most of our non-ginger obsessed readers, too.

On that basis we intend to get her back for another shoot, although we can't guarantee if that will be with pubes or without. However, we might ask her if she's a proper ginger if you write us another letter apologising for your terse and accusing tone. Are you an angry and tempestuous ginger yourself by any chance Warren?

HAS BRITAIN GOT TOTTY?

I agree totally with the sentiments in Nathan's letter from Vol. 22 Issue 4 – exactly where have all the British girls gone? And of the ones that are actually out there, why do we hardly ever get to see them on the pages of *MensWorld*? It's a bloody disgrace!

Okay, so I can see that there's a demand for American pornstars to feature in the magazine too, but with the legacy that the amazing Jo Guest has with *MensWorld* surely there's as much as reason to celebrate homegrown babes in there as much as hotties from across the pond.

Girls like perky newbie Sasha surely have a place in *MensWorld*, and what about the more established models like Michelle Thorne and Angel Long?

Come on, I challenge you. Get more sexy British babes in the magazine!

Robbie, Lincoln

Challenge accepted, Robbie. Don't blame us for the dearth of dirty Brits, though, they all buggered off to lapdance a few years ago and never came back. Until now! We love Sasha (you can see her on page 64), Angel, Michelle, Katie K, Natalia X, Syren Sexton, Danielle and new discovery Anna Lovato. In fact, we love 'em so much we're getting them all together in the same place for our Britain's Got Totty event on June 8th in London. If you want to party with the porn stars – and maybe even get a lap dance to boot – head over to page 62. Now, that's a Brit of alright, isn't it?

GAME, SET & SNATCH

Every month I read your report from an American porn movie set with interest. I particularly like the way it provides an insight into the funny stuff that goes on behind the scenes. The way Teagan and Bree Olson spoke to each other while they were setting about each other was hilarious; those girls talk absolute filth!

As you send a correspondent, Emma Edwards, out there to do the piece, I was wondering if you might run a competition for a lucky reader to go along with her – a little like the Bunny Ranch thing you did a few months ago.

I'd love to spend a day or two on a porn set to see everything that goes on, as no doubt would most of the *MensWorld* readers, especially if the movie in question featured Teagan and Bree! Can you fix it for us to get the opportunity?
Martin, Gillingham

Well I'll have to consult our accountant to be honest with you Martin, but it's a good idea. We could always stow you away in our correspondent's luggage, but we can't guarantee that it would be a very pleasant journey.

DESK JOCKEY!

When Margot did work experience at my company, I got assigned to take care of her. She was the daughter of a good friend of one of the managers and a rich, spoiled, pain-in-the-arse princess. She came off like a WAG. But she was fit, and used to getting her own way – so I let her have her way with me.

One day I went to a meeting, leaving her some filing to do. When I got back, all she was doing was herself, at my desk, skimpy knickers pulled off of her pussy, using a big sex toy. I refused to be fazed and told her she'd cum much harder with it in her arse. She called my bluff, pulled it out then slipped it in her arsehole, silky-smooth, looking me straight in the eye all the while. Then as she pumped it in and out, I moved in and started to rub her clit.

I don't know which of us was more shocked by how quick she came, but we kept on going. And the hornier she got, the dirtier she talked. Now, I'm fine with a woman moaning at me to make her cum, to fuck her cunt and suck her tits. But maybe not loud enough to get me fired. So I shut her up by giving her a fat mouthful of dick to suck on, hearing her moans get more muffled as I got rock-hard in her mouth.

A shudder later, she spat me out and asked if I wanted to fuck her. I told her to keep sucking, knowing I'd probably jizz the second I got inside her cunt. I think that's the first time she ever did what she was told! I didn't last much longer anyway – I blasted the contents of my balls straight down her throat.

Getting hard again didn't take too long, I just watched Margot fuck her arsehole with the toy. Then I rubbed my cock against her clit. I told her to pull out the dildo – my dick deserved her full attention. She moaned as the plug popped out and my cock lunged into her wet fanny.

I fucked in and out of her, wetting my length, letting the juices trickle down her crack, so I could use them to wet her bum. It was hot and open, ready to take something bigger, so I pulled out and put my cock in, right down to my balls in one slow thrust. I banged her hard and briskly, giving her a juice-flavoured finger to suck on this time. That didn't keep her as quiet as my dick had, but part of me wanted to get caught with my knob in this rich girl's arse. I might get fired but I'd be a legend!

It was a tight, hot fuck and she kept cumming as I fingered her clit. I grabbed her pussy lips and held them open, teasing her – she was desperate to feel something in her cunt, but her frustration just got me giving it harder to her arse.

I strained, gritted my teeth as I felt the jizz bubble up in my balls. Then I thrust in as deep as I could and blew my load. Margot squirmed as I twiddled her nipples, her own fingers on her clit now. Only when she stopped cumming did I pull out of her bum. When we'd got our breath back, she grabbed her handbag and said she was taking the rest of the afternoon off. I told her there'd be no more dick for her unless she got her work done.

"Yeah, right!" she sneered and walked out. "How good a fuck do you think you are?" Obviously good enough that she came back for more next day. I'd confiscated the toy she brought and told her not to touch herself as she sat at her desk surfing porn sites. Her cunt was frothing by the time I had her bend over, dead-centre in the office, and gave it a good fucking. I doubt she'll ever get a real job, or need to, but she could probably have a great career in porn films if she wanted one!

I SUCKED HER SLIT BEFORE I RIMMED HER ARSE, SLOBBERING ALL OVER IT

JIM NICE-BUT-QUIM!

Who says nice guys finish last? Okay, so Jim was in the friend zone with me and my two best girlfriends for a long time, but when Kay admitted she thought he was fit, Carla and I came out about liking him too. And we all agreed to do something about it!

We spent the afternoon giving each other a slut makeover, then went to the hotel where we all work. We said we needed to talk in private, so he led us into the banqueting suite we were supposed to be working in later, then we let our coats fall to the floor, revealing our sexy lingerie. His eyes bugged out, but he was very suspicious, like he was being teased or it was a big practical joke. But he didn't fight it as Carla started to kiss him and Kay and I stripped off his clothes.

"Fuck…!" breathed Kay, pulling down his pants to reveal about nine fat inches of dick. She started licking his cockhead, so I began at his balls and worked my way up. Kay got sucking, leaving a ring of lipstick just below the bulb, while I coated him with saliva. Carla was straddling him now, as he sucked her tits, her pussy quivering with every tremor that passed through her. Kay touched his dick to Carla's knickers, no more than a thin, wet strip of lace. He twitched and Kay pulled the pants out of the way and guided him inside.

He thrust up, fucking Carla like a pneumatic drill, balls bouncing under my nose. Kay and I kissed, then when he paused Kay pulled his cock back out, sucking the juices off of it before passing them to me, tongue to tongue, so I could lap them all over his balls. Then he went back to fucking Carla, full on this time, so Kay and I got off, our hands exploring each other's body.

He was caressing Carla's tits now, pinching her nipples as I sucked hard on Kay's. And Kay's hand crept in between my thighs, probing my snatch. As Carla rode Jim he gasped that he was about to blow his mess, so Kay and I got back in position.

Kay popped his dick out and jerked him against Carla's slit, spunk jetting on it before she took him in her mouth, leaving me to lick her clean. Her pussy was sloppy like she'd cum a couple of times and as I tongued it I felt it spasm, juice dribbling out on my lips.

Jim hardly had time to draw a breath before Kay was on his face, frigging her clit as she mashed up against his mouth. He got right into it, slurping on her snatch, but I gave him a few minutes recovery time before going to work on his cock. I sucked it stiff, then straddled it reverse cowgirl, so I could reach down to play with his balls.

Carla came in front of me, and I helped myself to a feel; her pussy was so hot, wet and puffy. We kissed and then I told her to get on all fours; I'd eat her as I rode Jim. Kay was cumming hard and loud, urging him on, and I was slamming down to meet his thrusts. Carla backed her slit into my face, and I couldn't resist another suck on it before I rimmed her arsehole, slobbering all over it.

I got two fingers in her bum and, as she writhed, I thrashed around on Jim's dick. Kay was still riding his mouth and he was rocking his hips. I used my free hand on Carla's clit and watched her cunt open and close up, cumming hard, as her arse gripped my fingers like a vice. Then I felt a hot splash deep inside of me as Jim shot his load.

Just the one cock between three of us meant that we had to make our own fun too, once we'd fucked Jim to exhaustion. It's had a great effect on his confidence and we've seen more women try it on with him in the past couple weeks than in the whole time we've known him, but he's sticking with us as fuck-buddies for now. I'm glad we've blown that 'nice guys are losers' myth. And if they finish last, it's because they want the girl to cum first!

Zoe was a *MensWorld* regular a couple of years ago, and now, after a short hiatus from the porn scene, she's back, reassuringly still boasting a beautifully perky body and her trademark beaming smile. But what has the pert Euro stunner been up to during her time off?

"Not an awful lot really," she told us during the shoot lunch break. "I went on a couple of holidays, did a bit of decorating around the house, pottered around in the garden… You know, the usual boring stuff. I just needed to take a break from modelling for a while."

And there's us thinking she'd be throwing wild parties and enjoying depraved orgies with her pals!

"You'd have been more likely to find me lazing around on a beach or wallpapering the living room than doing anything outrageous like that," the pert little bundle of fun said with a mischievous glint in her eye. "Although there was this one time when I invited a couple of girlfriends around and we ended up getting drunk on red wine and having some fun with my collection of dildos and vibes. Actually, I think that happened more than once…"

REAM ME UP, SCOTTY

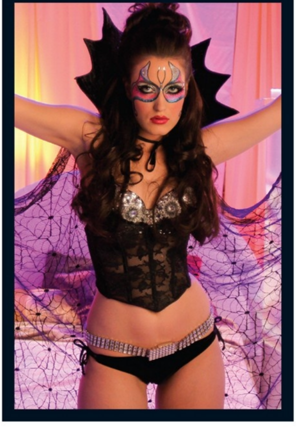
With adult spoofs still seriously big business, our US porn correspondent Emma Edwards goes on the deck of the Chocolate Starfish Enterprise to spy on the making of the latest big-budget sextravaganza. Set phasers to stunners!

Alexis Texas gets it in the Oval Orifice.

This Ain't Star Trek XXX #2: The Butterfly Effect
Starring: Kagney Linn Karter, Madison Scott, Jada Fire, Alexis Texas, Kimberly Kane, Jennifer Dark, Keni Styles, Joey Brass, Johnny Castle, Tony DeSergio, Anthony Rosano, Evan Stone.
Directed By: Axel Braun.
Available From: LFP Video.

Imagine an extraterrestrial world where beautiful alien creatures, led by the sexual domination of a nymphomaniac queen, reign supreme. This is precisely the type of world that director extraordinaire, Axel Braun, has created for Captain Kirk and the sexy crew upon the USS Enterprise. In what is the ambitious sequel to his award-winning project in *This Ain't Star Trek XXX #2: The Butterfly Effect*, Braun leads the crew beyond the call of booty with an exciting script and even hotter displays of hardcore sex.

With intelligence extraction coaxed out by celestial cocksuckers, time portholes into pivotal moments of American history, and a crew that can't keep their pants on, this is one space odyssey you'll certainly want to explore. So buckle up Scotty, put your helmet on, and keep your joystick firmly in your grip. You're about to journey into the depths of a sexual universe, from which you may never return. Are you ready to be beamed up?



The first day of production begins right on cue with an enthusiastic crew hard at work finishing the final details of the impeccable sets upon which the saga will unfold. Braun clearly has the situation under control, and instead chooses to focus on the bustling wardrobe room that is full of sexy starlets trying on their costumes for the meticulous director. With outfits that can best be described as black and silver dental floss, Braun inspects the curves of Kagney Linn Karter and Madison Scott very carefully before sending them out for the first scene of the day. Looking over his shoulder he smirks, "Yeah, I think these two will do."

Tony DeSergio, playing the coveted role of Spock, seems to agree, as his Vulcan cock is visibly ripping a hole through his uniform in an effort to get closer to the alien girls from the planet Butterfly 8. In search of his

Kimberly gets Kaned.

It's almost enough to make you like *Star Trek*. Almost...

fallen comrades, Tony encounters Kagney and Madison and has no choice but to succumb to their horny demands once they lower to their knees to suck back his hose. With both mouths running over his meat like power washers, Madison locks onto the head of his cock, while Kagney greedily shoves his balls to the back of her throat. With pools of saliva trailing from both mouths, Tony controls their blonde heads by plopping them over his cock one at a time. "You suck. And then you," he says, as the panties on both girls become noticeably wet.

After bending each bitch over to inspect her holes, Tony opts for fucking Kagney first in standing doggie. She locks her fingers between the bars of the jail and her mouth around Madison's picture perfect boobs. "Fuck me harder!" she coos, stretching out Madison's nipples with her teeth as Tony probes deeper.

After getting his fill of Kagney's space slit, he sprawls Madison out onto her side and goes excavating up her vaginal cavity. Kagney enjoys a little finger poking on the side, before both sets of tits are smeared with intergalactic space goo!

Meanwhile back on the ship, Anthony Rosano is hard at work plugging up the depths of Jada Fire's anus. Perfectly positioned on his lap, Jada expertly works his stick up and down while yanking on her homegrown titties. "Come on. You've got more than that!" Jada pierces, as her screams become louder and more concentrated. Soon, the dials on the monitor are pushed down and the earplugs are passed out, as Jada pops hard from her asshole. Anthony quickly follows suit, although his big bang is interrupted when Keni Styles and Joey Brass walk in to give them the latest information about the fate of the lost crewmen.

Later in the transporter room, Anthony is hard at work trying to beam Keni and Joey to Butterfly 8 to retrieve Spock and Bones. The only problem is that images of shoving his pecker up Jada's pussy have him all perplexed. Not paying attention, Anthony mistakenly transports Keni and Joey into the year 1962! Once the men arrive in the Oval Office, they know that things have gone horribly awry. As they sit back, Marilyn and JFK, played by Alexis Texas and Johnny Castle, stumble in intoxicated.

"Marilyn, you're the hottest piece of ass this Oval Office has ever seen!" Johnny remarks, while bending Alexis over his desk to get a good look at her bubble butt. Soon his face is stuck in Alexis' ass. He spreads her open with both hands and sticks his fingers up her holes before attaching his lips to her butthole. With a loud slurping sound that permeates the room, Johnny perfectly utilizes the saucy slut spread out beneath him. Gyrating her bum to give him the full effect, Johnny is left in a hypnotic state, although his cock is standing at full attention.

"Then let me ask you... what can I do for my country?" Alexis playfully purrs back as Johnny hikes down his pants and jabs his presidential penis deep inside the heart of Texas. Looking fabulous, Alexis rests her chest on the wooden desk and holds her right leg up with her arm in order to take Johnny all the way inside. "Give me all you've got, Mr. President!" she later hisses, as his aggressive style of fucking has got her all worked up.

When he's finished there, Johnny flips the glamour girl around and continues to shove his pole up her pussy. This time, she grabs onto his tie and maintains a piercing eye contact that practically wills the splooge from his wang. With eyes locked together and a pussy that's

dripping like a glass of ice water on a hot day, Johnny pulls out and glazes Alexis' tits like a doughnut. It's at this point that Johnny and Alexis see Keni and Joey on the sidelines. "Mr. President if you go to Dallas tomorrow you are going to be assassinated!" Joey pleas. Johnny makes a few phone calls and agrees to stay put for a few more days. Could this declaration from the space travelers change the course of history? You'll have to watch the final product to find out.

Finally, Anthony fixes his controls back on the USS Enterprise and successfully transports Keni and Joey out of 1962. Now on Butterfly 8, where they should have been all along, Keni and Joey are zapped frozen by Jennifer Dark, another alien inhabitant. Unable to move or fend for themselves, Keni and Joey have no choice but to succumb to the sexual whims of this exotic creature as she inspects their crotches with her long fingernails. "These look purrrfect," she pets and paws.

When the inspection is complete and she likes what she sees, Jennifer sticks out her tongue and runs it along the seam of their zips. "It's time for your intelligence extraction," she seduces, while yanking both cocks out and smacking their heads against her tongue. Apparently, the men of the future also think with their cocks! With red lipstick rings decorating their shafts, Jennifer begins sucking their meat like a maniac. With saliva collecting between her newly enhanced rack, she grabs up Keni and slides him between her melons for a little squeeze session. At the same time, she bops Joey's junk against her cheek, proving that the female of the species are experts in multitasking. "I'm so hungry!" she continues, as the boys melt into her hot mouth.

SHE SUCKS SWORD LIKE A PRO WHILE WARMING UP HER PUSSY HOLE

Never found again without a flank hanging from her face, Jennifer bends over and coaxes Keni into position behind her. Noticing her incredible ass, Keni gives it a few playful smacks and a little finger tickle before pulling her panties aside and going in. She spreads her legs wide and makes every attempt to throw herself back into his dick to ensure their union stays kinky. Joey, on the other hand gives Jennifer a thorough check-up by stretching out the walls of her mouth with his pecker, before trying out her holes for himself. The results are out of this world!

As Jennifer takes control of her prisoners, we find that the alien queen, Kimberly Kane, has turned Captain Kirk (Evan Stone) into the king of Butterfly 8. Taking full advantage of the situation, Evan seduces the queen with talk of world domination and destruction. Eager to experience the strong hand of her captive human, Kimberly spreads her legs wide. Pushing Evan's face between her thighs she begs, "Conquer me!" Having an ample pussy to work with, Evan chews on her meaty lips and practically ties her dangling labia into a knot like a cherry stem before sticking his royal bone in her mouth. She slurps and sucks his sword like a pro, while warming up her pussy hole with a flurry of fingers.

With a pussy that is now as wet as her slippery mouth, Evan throws her chunky boots over his shoulders and enters the queen's domain. He fucks her with such intensity that some members of the crew actually look away, as if they've been caught spying on an actual couple in the privacy of their bedroom. "I want you everyday," Kimberly cries out, leaving us unsure whether she's speaking in character or as Kimberly Kane!

The answer is quickly revealed as Braun urges Evan to fuck to pop without ever touching his cock. Evan concludes the scene in exactly this manner, which makes him the second performer, aside from Rocco Siffredi, who is able to end in such a brilliant way!

Obviously impressed with the outcome of his smashing new production, Braun applauds the work of the tireless cast and crew and bids the set adieu. The saga continues to unfold as the story and the plotlines are neatly tied up in the movie's finale.

With a few more surprises that are yet to be revealed, you'll be so glad you made the trip into the great beyond. With any luck, we'll all be called upon again for another kinky round of erotic space travel!

JASMINE & ANITA

PHOTOGRAPHY: DARREN MCC

If you're thinking that you've seen that brickwork before then you're probably right, but you're also possibly focusing on the wrong aspect of these photos.

Of course, quality plastering and rustic-style decor is often worthy of note, but not usually when two gorgeous girls are indulging in some seriously sexy lesbo antics in front of it.

Jasmine and Anita are in many ways the perfect match, with the former's predatorial instincts complimenting the latter's cute and innocent approach to her sapphic shenanigans to perfection; Anita the randy rabbit in Jasmine's horny headlights. Or something like that, anyway.

We should probably give some credit to the snapper for getting these two together, but that's not really our style. After all, the pictures might never have seen daylight without *MensWorld*! Aren't we great?

So let's all extend a warm *MensWorld* welcome to Renee Perez, a Las Vegas lovely who for some reason has never graced the pages of this fine publication. But how has she managed to resist the lure of an appearance in the nation's most prestigious top-shelf title?

"Well, I've been kinda busy," was the lame excuse she came up with when we cornered her over pre-shoot tea and chocolate digestives.

"I've been making movies, modelling in the US and basically just getting on with my career. A girl can't just hang around doing nothing, waiting for *MensWorld* from the UK to come calling [laughs]."

Fair comment, we agreed, that would be ridiculous, and a slap on the wrist to us for not discovering Renee's talents much sooner. Thankfully, our tardiness hasn't been to our detriment, as Ms. Perez appears to be in somewhat of a purple patch at present, and indeed recently bagged a nomination for Best Solo Scene at the AVNs for her sizzling performance in the masturbation flick, *Solamente 2*.

Yes, here at *MensWorld* we've definitely got our fingers on the pulse of porn. Even if it is sometimes by accident…

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: The SOPS (Spouses of Politicians)

Pedigree

Cameron

Samantha Cameron's dad, Sir Reginald Sheffield, is a Baronet and apparently a descendant of King Charles the II, and the family pile was Normanby Hall, a 300-acre estate in North Lincolnshire. This privileged upbringing will have prepared Samantha well for mingling with the many members of high-society and celebrity who pass through Number 10, such as Sir Roger Moore and Desmond Tutu. Cameron's missus is also said to be good friends with Bristolian rapper Tricky, giving her 'urban appeal'.

Brown

Prime Minister Gordon Brown has been quoted as saying that, "my wife is from middle-England", referring proudly to her middle-class roots.

Although Sarah has met successfully with the likes of Michelle Obama and is a close friend of Harry Potter author J.K. Rowling, her comparatively humble origins mean anxieties remain over her ability to hold her fork properly over brunch with Trevor McDonald, or to chat easily over canapés with Silvio Berlusconi.

Round 1: Cameron lands the first blow thanks to doubts over Sarah Brown's cutlery knowledge and ability to charm European dignitaries over canapés.

Campaign Clobber

Cameron

Samantha is famed for her effortless style and so-called 'pregancy chic', and whether it be relaxing at home in a cardy or slipping on a slinky black number for a posh do, she always looks the bollocks. More 'fashionable friend' than 'political powerhouse', Sam's the type of girl you can imagine discussing handbags over a cappuccino rather than talking foreign policy with David Miliband's wife, Louise Shackleton.

Brown

Basic cardigan, skirt and blouse regalia is hardly impact dressing, but Sarah's understated clothing choices on the campaign trail have succeeded in reflecting the limelight onto husband Gordon, giving her the role of Mrs Dependable.

While Sam Cameron serves up tabloid fodder with her carefully thought out creations, sipping a coffee in the lounge or onstage at a party conference, Brown is the smartly dressed rock at hubby's elbow, stylistically solid but careful not to upstage.

Round 2: Cameron's fashion sense is not in question, but Brown's low-key approach has successfully kept the focus on votes rather than the latest Vera Wang.

Importance to Strategy

Cameron

Samantha is absolutely vital to her husband's election strategy, so much so that he refers to her as his 'Secret Weapon'. She's even been given her own webcam – cunningly referred to as SamCam – so you can watch her casually strolling around the house sporting a fashionable designer cardigan, or possibly discussing costume jewellery over a tall latte with someone quite famous like Sophie Ellis-Bextor.

Brown

With her middle-class appeal and 1.1 million following on Twitter, to play down 'SarBro's' influence would be foolish. She is her husband's general on the election battlefield, and has travelled up and down the country with him in the fight for votes.

Sarah was also pivotal in persuading Gordon to cut down on his alleged habit of eating four KitKats a day, meaning the campaign bus didn't have to keep stopping off at newsagents and petrol stations, ensuring more time with the public for the PM.

Round 3: Time means votes, and Brown's KitKat masterstroke might well have secured that vital, election-winning 3-point swing in Haverfordwest.

A General Erection?

Cameron

Described by the tabloids as 'adding some much-needed glamour to the campaign' surely few men would disagree that Samantha has what it takes to cause a stirring in the voting booths of Britain. Indeed, a pre-pregnancy SamCam could probably have raised a semi with a straightforward flash of cleavage.

With bump, however, it's been a different matter; an ever-present and all too vivid reminder that Cameron has 'been there', his face no doubt ruddy with lust as he jettisoned his potent seed powerfully inside her.

Brown

Power is a huge turn-on for many, and it's a better man than me who hasn't pictured Sarah Brown clad in leather dominatrix gear, spanking them lightly on the bottom with a table tennis bat and ordering them to vote Labour come election day.

Despite this, some revealing modelling photos of SamCam published in the tabloids recently have seen SarBro firmly out-erectioned in this campaign.

Round 4: With SarBro relying on imagination and fantasy to create a stir, SamCam nabs this one on the basis of those stimulating snaps.

Media Whoredom

Cameron

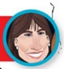
Schmaltzy pictures of Samantha and David in 'perfect family' mode feature regularly across the nation's tabloids, and recently SamCam was even seen campaigning solo at a charity project in Leeds, albeit apparently banning the TV cameras from filming her sloping off for lunch with her posh Dad afterwards.

Metaphorically speaking, Cameron's wife has taken it vigorously in every hole from the media, and we just hope she doesn't get sore from the experience.

Brown

Sarah has resolutely taken a backseat during the election campaign, and is no match for her media-friendly rival. If the tabloid coverage of the politician's wives is to decide the result on 6th May, then not only should we be shocked, appalled and depressed at the state of society, but thanks to her shameless courting of the press Cameron will panel Brown at the polls.

Round 5: Brown is floored by Cameron's media showboating and ability to look stylish and elegant in cardigan and jeans even whilst 'up the stick'.



Result

When SamCam and SarBro were pitted against each other in the General Election campaign, the winner – as, indeed, is the case with their husbands – was always going to be the one who could charm the media. Appropriately, it's SamCam's ability to effectively utilise the tabloids that has ultimately scooped her the coveted *MensWorld* Foxy Boxing crown – that and the fact that when not pregnant she's quite fit.

She calls her boobs ‘Mamma’ and ‘Mia’ and refers to her bountiful bum as her ‘Budunkadunk’, but don’t think for a minute that Sunny Lane has got a screw loose.

Indeed, the curvaceous cutie from Arizona is known as one of the most switched on girls in the adult industry, and since starting out five years ago has scooped countless awards and accolades from fans and insiders alike.

The most recent addition to her burgeoning collection came a few months ago when she bagged the prestigious ‘Booble Girl of the Year’ gong – no prizes for guessing which particular asset, or assets, that one was for – and, just so her legendary bottom didn’t feel left out, Sunny’s stunning rear took the award for Best Anal Scene at the 2009 AVNs.

Apart from her world-renowned tits, arse and appetite for hardcore sex, Sunny is also famous for the fact she’s actively encouraged by her parents, which some might find slightly strange considering the nature of her work.

But hey, it takes all sorts, right? And if their enthusiastic guidance means we get to see much more of Sunny’s incredible, curvy body and filthy onscreen antics then more power to their elbow, we say.

FUCKAFAN
AWKWARD MORNING

MW: Can you give our readers a quick biography of yourself?

Porno Dan: I have always loved attention and being the life of the party. In high school my nickname was Dan Keg. In college I was Interfraternity Council President and my Phi Kappa Sigma fraternity brothers gave me the appropriate nickname of Danimal. I've been producing amateur porn since 1999 and have a unique perspective of what it is like to be a 'porn star'. I started in this industry by a quirk of fate when an ex-girlfriend and I met the owner and crew of GM Video at Fantasy Fest in Key West in 1999. At that time GM Video was reselling their footage to an entrepreneur named Joe Francis, who was just starting *Girls Gone Wild*. You can see where this is going. Over the next year and half I would travel with the crew from GM on their excursions every other month, as I will still working in corporate America. In February of 2001 I asked George, the owner of GM Video, if I shot my own movie would he release it for me on VHS and DVD. Yes, VHS was still doing big numbers back then.

My buddies and I went to Budapest, Hungry and made three movies called *Budapest Booty 1-3*. People found our raw, uncut amateur style entertaining and they reached number 3 on the AVN pro-am charts.

I continued to shoot amateur movies for GM Video for the next year and a half, and put out many titles with them that did very well. Then in late 2002 I decided to leave corporate America and try and do porn full time. I developed *pornodan.com* as a pay site and soon had another pay site called *Fuck Trip*, which chronicled my journeys all over the globe. I was able to shoot and travel to many exotic locations like Tallinn, London, Prague, Rome, San Jose, Costa Rica and Budapest, just to name a few. Hindsight is 20/20, but I wish I'd concentrated more on the internet side of the business as opposed to worrying about releasing movies. In any event I truly had a great time doing this and loved every second of it. In June 2004 *The Washington Post* wrote a story about me that talked about my life and my transition from corporate sales to porn producer.

I was having the time of my life, yet I felt I was missing something. I fell in love with a girl who went to law school in Baltimore so we moved there in the summer of 2005. Moving to Baltimore turned out to be a disaster. I stopped doing porn and my then girlfriend and I fought all the time. After we broke up I partnered with a friend in the bar business. While I was very successful throwing and promoting parties, running a bar and being there every night is hell. I hated it and couldn't wait to leave. Late in 2006 I reconnected with a girl I'd met on set in Canada. She moved in with me and we started shooting porn again. I was so happy to do what I truly loved and I got married to her in January 2007. My partner sold the bar and two days later my wife and I moved to Los Angeles in the fall of 2007.

Moving to Los Angeles has been a great move for me. I am the CEO of Immoral Productions, which has quickly become one of the top up-and-coming studios. We release 16 titles a quarter. We were nominated as Best New Studio of 2010 by both AVN and XBIZ. We recently launched *www.straightdownthetubes.com*; this is the first advertising supported exclusive content site on the net. We shoot live four times a week. Our Spring 2010 schedule is Mondays – Squirtamania, Tuesdays – Big Titty, Wednesdays – Fuck A Fan, Thursdays – Cock Sucking Challenge.

"ONE GUY HAD A GIRL DO HIM WITH A STRAP-ON. IT REALLY WAS FUCK A FAN!"

I also host and throw adult industry parties in conjunction with my friend King Ryan for the Adult Entertainments Broadcast Network's (AEBN) social networking site *xPeeps*. We have been having these parties for over two years; they are by far and away the most talked about and best attended parties in the entire industry. Having the ability to host and throw these parties fulfils my need to be a social butterfly. I am happy doing what I do best: being creative and running a company that I truly believe in. I hope you will read my *www.pornodan.com* blog or follow me on twitter *www.twitter.com/porndodan* to stay abreast of what I have going on in my life.

MW: What's your trademark in porn?
PD: My small penis – LOL.

MW: When did you launch *Fuck a Fan*?
PD: I took over *Fuck A Fan* in January 2009, when I formed Immoral Productions with my director Jim Powers. Since that time we have shot 55 fun-filled shows. Every week three fans compete for the chance to fuck their favourite porn star. The third place guy gets a handjob, the second place guy gets a blowjob and the first place guy gets to have sex with a porn star.

MW: Is it easy to make that real?
PD: One of the keys to *Fuck A Fan* is that it's 100 % real. We use normal guys, I feel they have an easy time indentifying with me since I am on camera and I am not in the best shape and have a small penis.

MW: How many requests do you get from fans?
PD: We get all sorts of requests from fans; they vary from the girls they would like to have sex with to all sorts of crazy and strange requests. A lot of the fans have unrealistic expectations, they think that because we produce porn we have huge budgets and are able to fly them in, and put them up for the week. The reality is that while we wish we could afford to produce all their elaborate scenarios and requests we can't.

MW: Do the porn girls enjoy fucking fans for a change?
PD: Some of the girls like our Immoral Productions contract stars Amy Brooke and McKenzee Miles love to have sex with the fans. One of the reasons we picked them to be our contract stars is that they kept requesting to come back as fluffers for the show. Every show we have these two fluffers to assist the fans, and to ensure they have a positive experience.

MW: Do you think porn where real guys get to interact more with porn girls is the future?
PD: I believe that interactivity is the key to the future of porn. That is one of the main reasons we shoot live four times a week, so that fans can chat and interact with their favourite stars

MW: Any great anecdotes from the *Fuck a Fan* shoots?
PD: We have so many. We have had all sorts of crazy things happen. One guy had one of the girls do him with strap-on, so it really was *Fuck A Fan*.

MW: How often do the fans fail to get wood?
PD: That is why we employ the fluffers, they give it their all to help the guys, and in most cases it works!

MODEL BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR…

ELEKTRA

Okay, before I start telling you pervs what happened to me on my lapdancing shoot, I really want to stress that I'm totally not the kind of girl who lets anyone get his hands on her after an hour of chit-chat.

Seriously. I was brought up well, a nice middle-class girl, and I've never been a slapper. Yeah, yeah, I know you'll take one look at my boobs and these dirty pictures and say, "Yeah, right" but it's true. I've always treated my modelling in a very professional manner and I've always treated my relationships in a very serious way. It wasn't till I was twenty that I lost my virginity, and that was to a guy I'd been seeing for three months, so you can cast those aspersions aside, thank you very much. That said, what I'm about to tell you kinda goes against all that, cos it was the slaggiest thing I've ever done, and I don't regret it one bit!

I got booked in on a pole-dancing shoot and the first thing I thought when I got the email from my agent telling me about it was, "Brilliant. Now I have to learn to pole-dance." I'd never done stuff like that – my modelling has always been a sideline to the nurse training I do in real life, and gyrating on a load of horny businessmen's laps wasn't ever part of that plan. So I went round my mate Sarah's house and asked if I could spend a couple of days practising on the pole she has in her garage, which she always claimed she uses for exercise (believe me – one look on her hubby's smug face and I knew he got free dances from her as a treat for installing the thing).

After a crash course from Sarah, I felt confident enough to commit to the job. I showed up at the studio and met with the photographer, Richard, who was gonna be snapping me that day. A good-looking guy, early forties, a bit scruffy, but really nice and charming. His assistant plastered the required make-up on me, decked me out in the slutty gear that you have to wear for these shoots, then buggered off to the next room to watch telly while I

I RUBBED HIS DICK. IT WENT FROM SOFT TO HARD IN SECONDS

put on a show for Richard.

I guess I should point out at this time that I'm very happily engaged to the guy I've been with for the last two years, and that neither of us had ever considered straying. Until the day I took these pictures.

Yep, I don't know what it was about Richard that made me forget my fidelity, and it wasn't cos I was on a shoot and just thought what the hell. I've been on plenty of shoots in my time, and never even considered wanking off the guy taking the photos. Even when I've been asked to (happens as often as you'd imagine). And yet, something about him made me tingle and imagine what it would be like to be fucked by him.

Ironically, Richard wasn't giving me any come-ons whatsoever. He was a total pro, sorting out the angles, the lighting, getting the best shots he could as I slid myself up and down the pole in the studio. Maybe that's why I wanted him so badly – simply because he wasn't trying to seduce me.

It was when he came in for some close-ups that I decided to let my feelings known. I started rubbing against his thigh and softly moaning, just as I imagined a real lapdancing gal would do. He looked confused, and kept snapping, but I upped my game and rubbed harder, straddling his thigh and grinding against his jeans. There was just the thin fabric of my silky black knickers between the lips of my pussy and his jeans, and I could see that I was leaving a moist stain on his thigh. He looked down and saw it too, and that's when I reached for his crotch and rubbed his dick. It went from soft to hard in seconds. I thrust my tits in his face and kept my hand on his cock, waiting to see what kind of reaction I'd get.

Richard put the camera to one side and immediately grabbed hold of my body, running his hands along my curves and staring intently at my tits. Think he must have been a boob man. I pulled my bra off completely and let him suck my nipples as I freed his dick from his trousers, pulling them down in one motion. With the TV from the next room in my ears (Jeremy Kyle I think – it was a morning shoot) I sank to my knees and took Richard's nice big cock in my mouth, swallowing it into the back of my throat and working the shaft with my hands.

I guess he wasn't prepared for my excellent technique (I can bring my fiancée off in under two minutes!) cos he started to spurt pre-cum and buck his hips before I'd barely got started.

I SANK TO MY KNEES AND TOOK HIS NICE BIG COCK IN MY MOUTH

I wasn't having any of that, so I pulled away and told him to hold it. Bashfully, Richard held back from coming, and I pulled the lacy material between my legs to one side and stood back up with my back to the pole. I grabbed his throbbing dick and slid it into my juicy, wet cunt. Richard gasped and started to thrust. I knew I didn't have long, so I started grinding my clit against him as he dick spread my lips apart. I closed my eyes and rubbed for all I was worth, hearing the squelching sound as he bucked in and out of me.

I guess it was around this time I suddenly started thinking about my fiancée, and how heart-broken he would be if he could see me doing this. I felt so awful, I'd never done anything like this before, and yet I carried on grinding against this virtual stranger's hard cock, feeling him squeeze my breasts, nearing my orgasm as he began his. Yes, we hadn't been at it for more than a couple of minutes before Richard started moaning aloud and thrusting erratically. He clutched me tight and started flooding my pussy with jizz, really hot squirts that I could feel filling me up. That set me off. Despite the terrible feelings of guilt that were washing over me, I started to climax. My bum cheeks were spread apart by the pole behind me, and the feel of the cold metal up my back was a relief against the shot of heat that ran through my body. I came really hard and screamed. So much so that the assistant in the next room audibly turned the telly up. She must have known what was going on. Glad it wasn't Richard's missus!

Anyway, we both shuddered and sighed as we shook the last drops of juice from each other, and then we quietly pulled away from each other, a little shocked at what we'd just done. Richard could barely look me in the eye. And I have to admit, the real guilt kicked in then, just as his semen started dripping from my wet cunt. I picked up a towel and started wiping it from me, along with my sweat, and thought of my guy at his office and how happy he'd be to see me at the end of the day. Yeah, what a bitch.

Richard paid up and I left the studio, resolute I wouldn't take any more bookings with him. And that night, when I got home, I fucked my fiancée so hard and well that he didn't know what hit him. You could argue that my little dalliance rejuvenated our sex lives. I feel bad about it, and I'll never tell him what happened, but it was a day I won't ever forget.

HE CLUTCHED ME TIGHT AND STARTED FLOODING MY PUSSY WITH JIZZ

Sasha and booze, it's a potent combination. And it's a combination you'll find at our Britain's Got Totty bash on Tuesday June 8th.

Taking place in the salubrious environs of Spearmint Rhino on London's Tottenham Court Road, eight of our favourite girls – including the gorgeous Sasha here – will go head to head in a bid to be crowned Britain's Top Totty, and the winner will be decided by you, the readers.

If you want to vote for our Sash, follow the simple instructions on page 68, and if you would like more information on the event itself and how you can attend and meet the nominees in person, simply track down the handy and informative advert in this very magazine, or go to www.britainsgottotty.com.

But enough of this promotional gubbins. Honestly, the last thing you need is us giving you the hard sell when all you really want to be concentrating on is Sasha's perky body and perfectly plump boobs.

I actually feel a bit bad for rambling on about how you can vote for her in our all new, all singing, all dancing BRITAIN'S GOT TOTTY competition by following the highly straightforward instructions on the penultimate page of this very set. Shameful behaviour…

VERY PERSONAL TRAINER!

I've been knobbing Johnny, my personal trainer, for a couple of months now – blame my boyfriend for making a tactless comment about the size of my arse! It's fast and furious sex but, to be fair, the bloke's a pro. He's got a 'no hard work, no hard-on' rule, and the fucking's not on my time and money! Put simply, his cock is my incentive, a big bulge in his shorts that makes me do that extra couple of reps with the weights.

He's horny for me after I've worked up a sweat. We always end the session with one final fast burst of exercise – often he'll get me to do it naked, heightening the anticipation even more. Then he finally frees his hard-on from his shorts, crams it in my cunt and fucks me hard while I'm still breathing heavy. Of course, now I'm getting fitter, he really has to plough in!

Most times he likes to cum over my tits and, while I play with his load, he helps me with my cool-down stretches – while giving me a licking. I can feel my clit swell and throb in his mouth as his fingers probe and thrust inside of me, and he always makes sure I cum a couple of times before he goes – leaving me so chilled I've never got one single muscle strain.

Recently, with my boyfriend away on business, I booked an extra session – and opened the door in a sexy dress, heels and makeup. Johnny knew there wasn't going to be any workout today – well, not the conventional kind, anyway! I ditched the dress pretty quick, and he started playing with my boobs. They're big and natural, and he just lost himself in sticking his face between them, while I fingered my own cunt.

He stayed dressed – I think it makes him feel like he's in charge, although we both know the real deal – but the dick came out of his shorts, and I knelt on the sofa, wrapping my boobs around it. He fucked in hard and I pushed them tight together, but as I saw his helmet slide in and out, turning from dark pink to purple, I couldn't resist taking a suck on it. He was so stiff, so turned on, it was virtually buzzing against my tongue. Then I felt his spunk jet out, hitting me at the back of my throat, then filling my mouth with creamy warmth. I let him slip out and rubbed it on my tits, leaving a crisscross trail all over them.

I FELT HIS SPUNK JET OUT, HITTING THE BACK OF MY THROAT

Johnny said maybe I could, “drop and give him 20,” while we waited for him to get hard again. Whatever, I thought, and settled for spreading myself on the couch, one leg stretched up the backrest to lay my pussy open as I fingered it. Soon after, he licked me again, then had me kneel up on the sofa, breathing in the smell of the leather as, finally, I felt his ramrod prick sink in me. It was like a big pole reaming out my cunt, sliding me back and forth over the shiny black hide.

He liked to tease, fucking me deep, building up a rhythm, then pulling out to slap his wet cock against my arse-cheeks, or just to work it up and down my slit. Then, before I got too frustrated, he thrust back into me, leaned forward to grab my tits, then fucked me like a piston.

Because he’d only just cum, he lasted a while – I was gasping for breath again, but exhilarated not exhausted. Then he pulled against my boobs, so my body arched up, arse still square over his cock. He had one hand groping a tit, brought the other down to cup and squeeze my mound. I let out a little yelp and then a moan as his hot sperm shot out, sending a warm glow through my entire body.

My boyfriend has commented on how toned I’m looking. Suddenly, I’m more fuckable to him. I don’t actually think he’s being that shallow, though, just turned on by the afterglow all this extra cock is giving me!

The Shouting Men

Kaleidoscope, £12.99

With most films about football seemingly concentrating on hooligans, violence and the so-called ‘firms’ having a ‘ruck’, it’s nice to see a movie that sheds a more positive light on supporters of the beautiful game.

The Shouting Men follows a merry throng of Gillingham fans, who decide to make the 600-mile round trip to watch their team play Newcastle United in the quarter-finals of the FA Cup. Whilst queuing up to buy their tickets, the motley crew meet wheelchair-bound fan Terry – brilliantly played by co-writer Matt Daniel-Baker – who reveals that he can provide them with a minibus and free fuel so long as they agree to take him along with them.

Naturally, chaos ensues as the band of misfits embark on their journey to Geordieland, with the Sat Nav going haywire and taking them to the wrong Newcastle, Terry turning out to be a bit of an angry nutter, and someone stinking the bus out with their bad wind. If you like football, farce and fart gags, then *The Shouting Men* has much to offer. That, and a cameo from John Barnes. Oh yes...

Shameless Series 7

4DVD, £34.99

If you’re not familiar with the grubby delights of the critically-acclaimed Manchester-based drama *Shameless*, then at least you’ve got plenty of gritty comedy to catch up on, even if it might’ve been rough living in that cupboard for all those years. On the other hand, fans of the unruly antics of the Gallagher family will probably already know that the seventh series of this multi-award-winning smash hit saw a triumphant return for the show earlier this year, with more scams, sex and unseemly shenanigans than ever going down on the notorious Chatsworth Estate.

Central character and tramp-like pikey Frank Gallagher (David Threlfall) kicks off a relationship with the new librarian Libby – played by Father Ted’s tea lady Mrs Doyle, Pauline McLynn – thus unleashing an unlikely poetic side, whilst son Liam starts high-school and soon develops his first crush.

But if you’ve never watched the show then you might be interested to know that the *Shameless* Series 1-7 Boxset has also just hit the shelves so you can catch up.

Universal Soldier: Regeneration

Sony Pictures, £19.99

Fifteen years ago, a movie featuring both Jean-Claude Van Damme and Dolph Lundgren would’ve had them queuing around the block. These days, however, the picture is slightly different, and not even the combined presence of these two former box office behemoths could prevent this, the fifth movie in the *Universal Soldier* series, going straight to DVD – but that doesn’t necessarily mean it’s shit.

In fact, *Universal Soldier: Regeneration* is an enjoyable romp, with Van Damme playing Luc Deveraux, a military man who comes out of rehab to assist with the rescue of the recently kidnapped Russian President’s son and daughter. Trying to hinder his progress is rival Andrew Scott (Dolph Lundgren), a scary, unstable robot-cum-human who will stop at nothing to kill both the children and Deveraux. Van Damme and Lundgren roll back the years in a head-to-head battle, and while this film might not exactly recapture their respective heydays, it’s an entertaining and combat-crammed caper all the same.

Bitch Slap

Momentum, £15.99

A shameless celebration of the bawdy B-movies and sexploitation flicks of the 60s and 70s, *Bitch Slap* follows three sassy bad babes – Trixie, a down and out stripper, Camero, a drug-running killer and Hel, a corporate powerbroker – in their quest to extort 200 million dollars in diamonds from a ruthless underground kingpin.

Cue guns, fast cars, catfights, cleavage aplenty, and several gratuitous Sapphic romps as the scantily-clad girls go in search of their booty. The plot attempts to twist and turn as the sexy trio begin to realise that their quest for the diamonds might not be all that it seems, but *Bitch Slap* isn’t really about the storyline. This is mindless, heavy-handed, stylized and sometimes very violent fun accompanied with some witty one-liners and loads of flesh.

Bitch Slap probably won’t change your life or provide any great insight into anything, but if you like the idea of fit girls with big tits shooting guns and grappling, it should provide 101 minutes of stimulation.

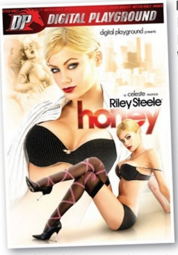
MUCKY MOVIES

Riley Steele: Honey **Digital Playground**



It's a simple fact of life that Riley Steele looks incredible. Was she created by the porn Gods? Quite possibly. Personally, I think we should just be very grateful that she chose to pursue a career in onscreen fucking, and that Digital Playground have snapped her up and decided to make entire films that revolve around her filthy antics.

Honey is the latest homage to Steele's sexual escapades, and in it we get to see her getting fucked on a bar, taking some rough stuff from Evan Stone, and giving Scott Nails the ride of his life. Three completely different scenes, but all succeed in displaying Riley's obvious enthusiasm for cock, and it's great to see such a gorgeous girl so totally caught up in the action.

But it's not all about Riley, and hot newcomer Nicole Ray and the really rather slutty looking Allyssa provide admirable support to the main star, equalling her passion for fucking, if not quite matching her in the eye candy stakes. *Riley Steele: Honey* is a cracking vehicle for one of the best babes in the business, and our advice is to catch her while she's hot!

jessica drake
BRAD ARMSTRONG

Lower-case lustpot jessica drake is up to no good again, and the world of porn is certainly all the better for it. Over seven scenes she acts out all kinds of filthy fantasies, including fucking on a bus in front of a clutch of goggled-eyed passengers, dressing up as a sexy maid for her boyfriend, having a wank in a taxi, and indulging in some swinging with Courtney Cummz and a couple of cocksmen.

Needless to say, fans of blonde babe jessica will love this DVD, showcasing as it does both her love of hardcore fucking and her more sensual and seductive side across nearly two hours of impressively varied action.

Non-drake-devotees should find plenty to enjoy too, and even if you're not particularly into jessica, an impressive supporting cast including the likes of Angelina Ashe, Nikki Benz and Tory Lane should provide plenty of thrills and spills for the casual viewer.

Our standout scene saw Ms. drake pairing up with the aforementioned Nikki Benz for a little light bondage fun with the rather lucky Brad Armstrong – two of the sexiest blondes in porn teaming up and showing off their considerable talents. Seriously, what's not to love?

LIFE OF
Sharka Blue
She's a Sexual Predator
INCLUDES HOT NEW FOOTAGE

It's been a bit of a feature star special this issue, and alongside American stunners Riley Steele and jessica drake we have a representative for Europe, the very sexy dirty dwarf Sharka Blue. Why the silly name I have no fucking idea, but when she produces sizzling performances like the ones in this filthy flick then I guess it doesn't really matter what she's called.

The movie takes the shape of an interview, with Sharka spilling the beans about her most intimate fantasies and then acting them out with, amongst others, fellow gorgeous Eurobabes Jane Darling, Liliane Tiger and Claudia Rossi.

With her petite blonde body and pretty face, Ms. Blue looks so cute and innocent that you'd never believe she could be so ferocious in the sack, but the pocket rocket licks pussy and sucks cock with impressive intensity.

Essentially, if you like the look of Sharka and want to see her put vigorously through her paces by a whole host of her porn buddies over two hours of tease, please and hardcore shagging, then *The Private Life of Sharka Blue* is a guaranteed spunky success.

what should I read next?

After enjoying A page-turning masterpiece of a book, the inevitable downside to discovering this work of genius will be: 'How the fuck will I follow that?' I did after reading Cormac McCarthy's brilliant *The Road*, and short of ploughing my way through his famously gritty back catalogue and ending up on Prozac, I was faced with the inevitable question: 'What should I read next?'

Happily, this handy and incredibly easy to use website has the all the answers. Type the name of the book you enjoyed into the search engine and it will throw up a list of recommended reading taken from the suggestions of thousands of other readers. Perfect.

Should you want to buy a posh bargain handbag for the wife, typing Louis Vitton, Lois Vuiton, Louis Vuuttin, and so on would be a ballache, but simply key the correct spelling into *Typobuddy* and it'll do the work for you by tracking down all the errors and throwing them all up in one convenient listing. GINA

PHOTOGRAPHY: ANDREW HAYEK

Gina here has appeared in *MensWorld* more times than I've written crap blurbs. Okay, perhaps she hasn't been in the magazine on that many occasions, but you see what I mean.

The most notable thing about the blonde stunner's numerous showings in *MensWorld* is the fact that she always looks absolutely incredible, and if anything Gina seems to be getting sexier as she gets older. So how does she do it?

"Well firstly, I'm still not actually that old, so it isn't that difficult for me to stay in shape," she replied, a little tersely. "I've only been appearing in *MensWorld* for a couple of years, it's not like I'm a bloody pensioner."

Suitably chastened for making the mistake of using the word 'older' in front of a model – something of a taboo, it seems – we hastily changed our tack. What we meant was that you seem to be getting hotter with every shoot, we backtracked. That you are maturing beautifully as a model.

"Mature? What do you mean, mature? Are you calling me old again," she returned with a scowl. "I've a good mind to get my things and go home."

Okay, so tact obviously isn't our strong point when it comes to paying the girls compliments, and with the shoot in jeopardy we had to resort to extreme measures and crack open the office Ferrero Rocher, bought for us by the boss as a motivational treat – a big sacrifice, yes, but it was worth it.

"With this Rocher you are really spoiling me!" Gina said, suddenly sporting a big smile.

And the shoot continued without another hitch.

Nursing half a pint of best bitter in the deepest, darkest recesses of the magazine, it's our self-opinionated beer-addled font of all knowledge…

Alcoholic Anecdotes

"Actor Anthony Hopkins's drinking went through a period when it spiralled out of control, reaching its peak in early 1973, when he walked out of a National Theatre production of *Macbeth*.

With the help of his wife, Jennifer Lynton, Hopkins won his long battle with the bottle on December 29th, 1975. He finally stopped drinking after waking up in Arizona – with no recollection of how he had arrived there."

"One evening, legendary Welsh poet Dylan Thomas, as was his wont, indulged in drink and conversation for a prolonged period before making a curious observation. 'Somebody's boring me', he muttered. 'I think it's me'.

"Ernest Hemingway famously said that you should always do sober what you said you'd do drunk – that will teach you to keep your mouth shut."

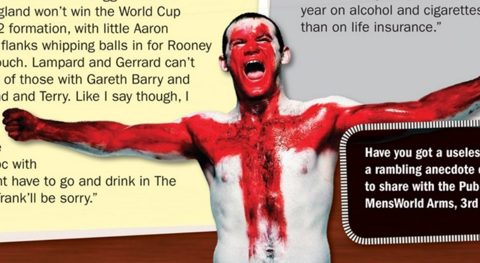
Session Story

"I was reading in some rag or other that workers at the Carlsberg brewery in Denmark went on strike because bosses cut their daily beer quota – apparently there'd been this old rule in place that allowed them to drink three lagers a day during working hours! Now that's my kind of job. Over here, if you showed up for work smelling of booze you'd be more likely to get the sack, and if you cracked open a beer in the factory or office then you'd be out of the door like a bloody rocket. The Carlsberg workers are still allowed to have a drink at lunchtime, so I don't know what they're moaning about. Before the ban they'd be permanently pissed on the job!"

The Games Room

"So the World Cup's coming up again and everyone's going on about England's chances of winning the bloody thing. I wish it wasn't happening at all as Frank, the Landlord, puts all the games on the TV in the corner and it attracts all the oiks in from off the estate. I don't even like football for bugger's sake!

Anyway, the fact is that England won't win the World Cup unless they play a solid 4-4-2 formation, with little Aaron Lennon and Joe Cole on the flanks whipping balls in for Rooney and the lanky fella, Peter Crouch. Lampard and Gerrard can't play together so replace one of those with Gareth Barry and stick him in front of Ferdinand and Terry. Like I say though, I don't care about the World Cup or football. All those drunken lads shouting at the telly and cheering plays havoc with my nice evening drink. I might have to go and drink in The Crown down the road, then Frank'll be sorry."



Current Affairs Corner

"With the General Election happening soon and all the bloody fuss about the politicians and their wives and what they're wearing – what's that got to do with anything anyway? – I see even Sir Michael Caine has stuck his oar in. Personally, I don't see why these actors and celebrities have to get involved, it turns the whole thing into a circus.

Caine says that the Conservatives will give young oiks a chance to do something with their lives, but I'd like to see if he still felt the same way if they kept posting dog turds through his letterbox. He's probably got a big mansion with gates, security guards and CCTV! Honestly, if I get hold of the buggers I'll rub their bloody noses in it!"

"I saw on the Sky News Channel – the Landlord got a fancy newfangled satellite system in the other month – that Sex Pistols manager Malcolm McLaren had died. Now I was never into that Punk music, I just thought it was a bloody racket, and when that horrible little sod Johnny Rotten swore on that chat show I thought it was terrible.

Personally, I was always more of a Frank Sinatra man, or Elvis Presley. Even though he died on the toilet he still handled himself with more dignity and class than those so-called punk rockers."

Useless Facts*

(*Not Guaranteed Facts)

"Marilyn Monroe had six toes on one foot."

"The shortest war in history was between Zanzibar and England in 1896. Zanzibar surrendered after 38 minutes."

"More money is spent each year on alcohol and cigarettes than on life insurance."
